SUBJECT INDEX

International Surgery

Volume 55, January-June, 1971

Abdominal Surgery
Retroperitoneal cystic lymphangioma ... 113
Spontaneous hematoma into the sheath of the rectus abdominis muscle ... 350

Anemia
Should anemia stop surgery? ... 250

Anesthesiology
The effect of central nervous system depressants on the tolerance to local anesthetic solutions ... 79

Cardiovascular
Current concepts in the study of the aortic arch and brachiocephalic vessels: a clinical and pathological study of 300 cases including surgical results ... 32
Massive venous thrombosis of the upper extremity ... 99
Aneurysm of the pulmonary artery ... 343
Internal mammary arteriovenous fistula: report of two cases and brief review of the literature ... 404
Percutaneous infraclavicular subclavian venipuncture: safe technique and personal experience with results on 200 consecutive subclavian catheterizations ... 441

Chemotherapy
Preferential attack on cancer following major cancer surgery ... 104
Tratamiento de las pancreatitis agudas por inyección intraarterial de Trasylol ... 299

Congenital
Abnormal second anal opening in a female infant ... 110
diverticulum of the choledochus: report of a case ... 280

Cryotherapy
Quantitation of cryogenic brain lesions ... 391

Esophagus
Mallory-Weiss syndrome reviewed ... 123
Dentures in the, ... 142
Reconstruction of the cervical esophagus by revascularized autografts of intestine: an experimental study using the Inokuchi stapler and reporting the use of revascularized intestine to construct an artificial human larynx ... 157

Experimental
The effect of central nervous system depressants on the tolerance of local anesthetic solutions ... 79
Preferential attack on cancer following major cancer surgery ... 104
Reconstruction of the cervical esophagus by revascularized autografts of intestine: an, study using the Inokuchi stapler and reporting the use of revascularized intestine to construct an artificial human larynx ... 157
Hemodynamic and metabolic stability after total hepatectomy in the dog ... 235
Studies of immunologic reactions after brain injury: I. antibodies against brain tissue lipids after, injury of the brain in rabbits ... 316
Studies of immunologic reactions after brain injury: II. antibodies against brain tissue lipids after blunt head injury in man ... 322
pancreatitis ... 372
Quantitation of cryogenic brain lesions ... 391

French
La réparation des pertes de substances traumatiques de la plante des pieds ... 217
Incisions pour mastectomies simples et radicales ... 224

Gastrointestinal
Acute regional ileitis due to anisakis larvae ... 8
Blunt trauma to the small bowel ... 20
Volvulus of the sigmoid colon ... 49
Internal drainage of a perforated pancreatic pseudocyst ... 187
An unusal complication after the Duhamel operation for Hirschsprung's disease: case report ... 192
Neurofibromatosis (von Recklinghausen's disease) and bleeding from the, tract ... 243
Congenital diverticulum of the choledochus: report of a case ... 280
Tratamiento de las pancreatitis agudas por in-

yección intraarterial de Trasylol . . . 299
Simultaneous multiple invagination on Peutz-Jeghers syndrome 357
Gangrene of the entire large intestine in the seventh month of pregnancy without occlusion of the intestinal vessels . . . 361
Jaundice in acute relapsing biliopancreatitis 367
Experimental pancreatitis 372
Complete rectal prolapse: comments on Lahaut's abdominal fixation-suspension operation 380

Guest Editorial
Naming of surgical instruments . . . . 5 Jan.
Engineering in medical centers—an organizational view . . . . . 6 Mar.

Gynecomastia
statistical and clinical findings on 203 observations 131

Hand
Tendon transfer in the,: use of the sublimis to reinforce the extensors 172

Head and Neck
Giant parotid tumors 448

Hirschsprung's Disease
An unusual complication after the Duhamel operation for,: case report 192

Hodgkin's Disease
in the orbit 183

Jaundice
in acute relapsing biliopancreatitis 367

Leprosy
The peculiar problems of handicap due to, . . 210

Mallory-Weiss Syndrome
reviewed 123

Miscellaneous
Guest editorial: naming of surgical instruments . . . . . 5 Jan.
The cervical vertebra spreader: evolution of a surgical instrument 1
Motion picture photography in surgery using an overhead mirror 42
The operating microscope in retinal surgery: its use for extraocular and intraocular cinematography 89
Dentures in the esophagus 142
Guest editorial: engineering in medical centers —an organizational view . . . . . 6 Mar.
Reconstruction of the cervical esophagus by revascularized autografts of intestine: an experimental study using the Inokuchi stapler and reporting the use of revascularized intestine to construct an artificial human larynx 157
The peculiar problems of handicap due to leprosy 210
Immediate unrestricted activity after operation: with particular reference to 11,272 inguinal herniorrhaphies using local anesthesia 256
Foreign body in the mediastinum 293
The 70th birthday of Professor Emerich Polák, M.D., F.I.C.S., F.A.C.C.P. 313
Has glomectomy played any part in the treatment of bronchial asthma? 331

Neoplasm
Neurilemomas of peripheral nerves 15
The association of thyroid cancer and hyperthyroidism 27
Squamous cell carcinoma of the renal pelvis: report of four cases 93
Preferential attack on cancer following major cancer surgery 104
Retroperitoneal cystic lymphangioma 113
Primary non-gestational choriocarcinoma of the ovary: report of a case 137
Giant cell tumor of the talus: a report of two cases 179
Technical development of conservative myomectomy 204
Neurofibromatosis (von Recklinghausen's disease) and bleeding from the gastrointestinal tract 243
Tuberculous abscess of the cerebellum . . 277
Hydronephrosis and survival rate in bladder cancer 283
Giant cell tumor of the middle phalanx of the left fifth finger: case report 288
Experience with surgical treatment of the malignant thyroid 327
Comparative study of angiography and lung scanning in the preoperative diagnosis of bronchogenic carcinoma 335
Surgical treatment of renal tumors penetrating into the great veins 417
Ovarian tumors in pregnancy: a clinicopathologic study of 19 surgically proven cases in a Southeast Asian hospital 422
Giant parotid tumors 448
Adrenal surgery in advanced breast carcinoma 451

Neurosurgery
Neurilemomas of peripheral nerves 15
Tuberculous abscess of the cerebellum 277

Ob-Gyn
The syndrome of obstetric remissness 61
Cervical pregnancy 127
Primary non-gestational choriocarcinoma of the ovary: report of a case 137
Problems of lymphangiography 196
Technical development of conservative myomectomy 204
Incisions pour mastectomies simples et radicales 224
Gangrene of the entire large intestine in the seventh month of pregnancy without occlusion of the intestinal vessels 361
Ovarian tumors in pregnancy: a clinicopathologic study of 19 surgically proven cases in a Southeast Asian hospital 422
Adrenal surgery in advanced breast carcinoma 451

Ophthalmology
Prophylactic cyclodialysis in flat anterior chambers with organized peripheral anterior synechia: postoperative aphakic patients 57
The operating microscope in retinal surgery:

its use for extraocular and intraocular cinematography 89
Proptosis in a newborn due to orbital infection: case report 149
Hodgkin's disease in the orbit 183
Clinical and anatomical consideration of dacryocystitis 200

Orthopedic
The cervical vertebra spreader: evolution of a surgical instrument 1
Fibrous dysplasia of the calcaneum: report of three cases 119
Giant cell tumor of the talus: a report of two cases 179
Intracapsular fracture of the femur neck treated by open reduction, S.-P. nailing and iliopsoas release: preliminary report 270
Giant cell tumor of the middle phalanx of the left fifth finger: case report 288
The Ring total hip replacement 399
The Küntscher rod in the treatment of femoral shaft fractures 431

Otolaryngology
Reconstruction of the cervical esophagus by revascularized autografts of intestine: an experimental study using the Inokuchi stapler and reporting the use of revascularized intestine to construct an artificial human larynx 157

Parasitology
Acute regional ileitis due to anisakis larvae .. 8

Pediatric
Abnormal second anal opening in a female infant 110
Proptosis in a newborn due to orbital infection: case report 149
An unusual complication after the Duhamel operation for Hirschsprung's disease: case report 192
Foreign body in the mediastinum 293
Simultaneous multiple invagination in Peutz-Jeghers syndrome 357
Purulent pericarditis in children 411
One stage correction of penile hypospadias using a foreskin tube: a preliminary report 435

Peutz-Jeghers Syndrome
Simultaneous multiple invagination in, ... 357

Plastic and Reconstructive
The syndrome of obstetric remissness 61
Reconstruction of the cervical esophagus by revascularized autografts of intestine: an experimental study using the Inokuchi stapler and reporting the use of revascularized intestine to construct an artificial human larynx 157
Tendon transfer in the hand: use of the sublimis to reinforce the extensors 172
The peculiar problems of handicap due to leprosy 210
Protected exposure: a method of managing selected skin grafts 214
La réparation des pertes de substances traumatiques de la plante des pieds 217
Avulsion of the scalp and its reconstruction 265
The metal head cap: a delayed aid to the Tagliacotian operation 297

Radiology
Problems of lymphangiography 196
Comparative study of angiography and lung scanning in the preoperative diagnosis of bronchogenic carcinoma 335
Dentures in the esophagus 142

Renal
Squamous cell carcinoma of the renal pelvis: report of four cases 93
Surgical treatment of renal tumors penetrating into the great veins 417

Spanish
Tratamiento de las pancreatitis agudas por inyección intraarterial de Trasylol 299

Thoracic
Foreign body in the mediastinum 293
Has glomectomy played any part in the treatment of bronchial asthma? 331
Aneurysm of the pulmonary artery 343
Internal mammary arteriovenous fistula: report of two cases and brief review of the literature 404
Purulent pericarditis in children 411

Thyroid
The association of thyroid cancer and hyperthyroidism 27
Experience with surgical treatment of the malignant thyroid 327

Traumatology
Blunt trauma to the small bowel 20
Studies of immunologic reactions after brain injury: II. antibodies against brain tissue lipids after blunt head injury in man .. 322

Urology
Abdominoscrotal hydrocele 45
Hydronephrosis and survival rate in bladder cancer 283
Surgical treatment of renal tumors penetrating into the great veins 417
One stage correction of penile hypospadias using a foreskin tube: a preliminary report 435

von Recklinghausen's Disease
Neurofibromatosis, and bleeding from the gastrointestinal tract 243

SUBJECT INDEX

International Surgery

Volume 56, July-December, 1971

Abdominal Surgery
Repair of large incisional hernias 220

Anesthesiology
Analgesia during labor with pentazocine, promazine, promethazine and scopolamine ... 48

Antibiotic Therapy
Treatment of urinary tract infections: open comparative trial 8
Use of antibiotics in surgical complications .. 407

Art
anatomy and medicine: part 1 311
anatomy and medicine: part 2 381

Autopsy
A backward glance at the study of postmortem anatomy: part 1 27
A backward glance at the study of postmortem anatomy: part 2 101

Breast Surgery
Multidisciplinary approach to the early diagnosis of breast cancer 135

Cardiovascular
A comparative study of pulmonary and circulatory effects of extrathoracic assisted breathing and intermittent positive pressure breathing 63
The pathophysiology of recurrent strokes 72
Atheroembolization: a complication of vascular surgery and/or diagnostic angiography ... 82
Phlegmasia cerulea dolens 213
Arteriomesenteric compression of the duodenum 304
Myocardial revascularization using combined endarterectomy and vein bypass autograft: technique and results 373

Colon and Rectal
Submucous lipoma of the colon: report of a case 113
Cecal carcinoma presenting as acute appendicitis 121

Congenital
Giant sacrococcygeal teratoma in the newborn: case report and review of the literature ... 56
Hypertension due to ectopic pelvic kidney: treatment by nephrectomy 145
Association of pulmonary sequestration and duplication of the stomach 224

Cryosurgery
Cryosurgery of prostatic hypertrophy: late results 331

A critical look at, ... 344
Cryosurgical therapy of benign lesions of the skin and mucous membranes ... 402

Esophagus
Epidemiologic study of esophageal carcinoma in Iran ... 68

French
Les accidents digestifs du potassium ... 198
Sécrétion gastrique et chirurgie de l'ulcère gastroduodénal ... 426

Fungal Infections
A clinical study of rhinosporidiosis ... 414

Gastrointestinal
Primary cancer in the gastric stump following gastric resection for benign peptiç ulcer ... 95
Cecal carcinoma presenting as acute appendicitis ... 121
Les accidents digestifs du potassium ... 198
Repair of large incisional hernias ... 220
Association of pulmonary sequestration and duplication of the stomach ... 224
Eosinophilic gastritis: a case report ... 228
Surgical treatment of peptic ulcer ... 239
Arteriomesenteric compression of the duodenum ... 304
Sécrétion gastrique et chirurgie de l'ulcère gastroduodénal ... 426

Guest Editorial
Changes in the youth culture—the doctor's role ... 204

Head and Neck
Thoracic inlet syndrome: a study of 35 surgical cases ... 1

Hemorrhage
Traumatic anterior and posterior segment ocular hemorrhage successfully treated by surgical and medical measures ... 41

Hormone Therapy
Cyclic, in climacteric and menopausal women in Iran: report of 600 cases ... 78

Hypertension
due to ectopic pelvic kidney: treatment by nephrectomy ... 145

Instrumentation
Tubal ligation through the posterior fornix with the aid of the culdoscope ... 235
New device facilitating retroperitoneal pneumography ... 309
A comparison between puerperal and nonpuerperal laparoscopic sterilization ... 325

Meckel's Diverticulum
Leiomyosarcoma of, ... 45

Miscellaneous
A backward glance at the study of postmortem anatomy: part 1 ... 27
A backward glance at the study of postmortem anatomy: part 2 ... 101
Vitamins and minerals in obstetrics and gynecology ... 149
Voluntary abortion in a municipal hospital ... 166
Les accidents digestifs du potassium ... 198
Guest editorial: changes in the youth culture —the doctor's role ... 204
Art, anatomy and medicine: part 1 ... 311
Head injuries in boxing ... 334
Art, anatomy and medicine: part 2 ... 381

Neoplasms
Cancer in Iran: malignant tumors of the female genitalia ... 13
Leiomyosarcoma of Meckel's diverticulum ... 45
Giant sacrococcygeal teratoma in the newborn: case report and review of the literature ... 56
Epidemiologic study of esophageal carcinoma in Iran ... 68
Primary cancer in the gastric stump following gastric resection for benign peptic ulcer ... 95
Submucous lipoma of the colon: report of a case ... 113
Cecal carcinoma presenting as acute appendicitis ... 121
Multidisciplinary approach to the early diagnosis of breast cancer ... 135
Intraspinal neurinomas and meningiomas: a clinical survey of 172 cases ... 289
Bilharzial carcinoma of the bladder with pregnancy and labor ... 434
Cryosurgical therapy of benign lesions of the skin and mucous membranes ... 402

Neurosurgery
Thoracic inlet syndrome: a study of 35 surgical cases ... 1
Value of myelography in thoracic spinal cord injuries ... 23
Cerebral cysticercosis in India ... 172
Intraspinal neurinomas and meningiomas: a clinical survey of 172 cases ... 289
Traumatismo encéfalo craneano: tratamiento de la contusión del lóbulo temporal ... 367
The syndrome(s) of akinetic mutism: extent of the concept based on clinical, anatomical and physiopathological grounds ... 392

Ob-Gyn
Cancer in Iran: malignant tumors of the female genitalia ... 13
Analgesia during labor with pentazocine, promazine, promethazine and scopolamine ... 48
Cyclic hormone therapy in climacteric and menopausal women in Iran: report of 600 cases ... 78
Vaginal hysterectomy by fragmentation or splitting of the uterus ... 118
Analisis de 2746 abortos atendidos en el hospital general de Managua ... 125
Multidisciplinary approach to the early diagnosis of breast cancer ... 135
Vitamins and minerals in obstetrics and gynecology ... 149
Voluntary abortion in a municipal hospital ... 166
Therapeutic use of the intrauterine contraceptive device ... 193
Tubal ligation through the posterior fornix with

the aid of the culdoscope ... 235
Genital prolapse in pregnancy and labor ... 260
Obstetric consequences of amputation of the uterine cervix ... 277
